## **Required Products**

The green cleaning requirements established by the state of Illinois require that schools purchase green cleaning products in six categories: bathroom cleaners; carpet cleaners; general purpose cleaners; glass, window and mirror cleaners; hand cleaners and hand soaps; and paper products. The following listings include the products provided by Betco that meet the relevant standards for each category.

### General Purpose Cleaners

*Illinois Green Clean Schools guidelines require that general purpose cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.*

#### **Green Earth Peroxide Cleaner**

*Green Seal certified*

Versatile product for cleaning showers, tubs, ceramic tile, floors and carpet. Cleans and whitens tile and grout surfaces without aggressive acids or bleach. Removes mineral deposits and soap scum. Neutral formulation will not damage fixtures. Green Seal certified.

#### **Green Earth Daily Floor Cleaner**

*Green Seal certified*

Perfect for maintaining high gloss on finished floors. Economical - use @ 1/2 oz. per gallon. Fragrance free for highly sensitive work areas. Neutral pH.

## Glass, Window and Mirror Cleaners

*Illinois Green Clean Schools guidelines require that glass, window and mirror cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.*

### **Green Earth Glass Cleaner**

*Green Seal certified*

Ideal for glass and mirrors. Will not streak or haze. Convenient and easy to use. Economical featuring a low end use cost. Fragrance-free for highly sensitive work areas.

## Hand Cleaners and Hand Soaps

*Illinois Green Clean Schools guidelines require that hand cleaners and hand soaps used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.*

### **Clario Green Earth Lotion Skin Cleanser**

*Green Seal certified*

Go Green! This luxury lotion contains no harsh skin irritants leaving your hands refreshed. This product meets the Green Seal environmental standard for institutional hand cleaners.

### **Clario Green Earth Foaming Skin Cleanser**

*Green Seal certified*

Thick, rich and luxurious GS-41 certified Skin Cleansing foam. This product meets the Green Seal environmental standard for institutional hand cleaners.

## Bathroom Cleaners

*Illinois Green Clean Schools guidelines require that bathroom cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.*

Betco does not currently offer any products that meet the Illinois standards in this category.

## Carpet Cleaners

*Illinois Green Clean Schools guidelines require that carpet cleaners used in schools meet standards set by Green Seal, Environmental Choice, or U.S. EPA Design for the Environment.*

Betco does not currently offer any products that meet the Illinois standards in this category.

## Paper

*Illinois Green Clean Schools guidelines require that paper products used in schools meet standards set by Green Seal, Environmental Choice or the U.S. EPA Comprehensive Procurement Guidelines.*

Betco does not currently offer any products that meet the Illinois standards in this category.

# Recommended Products

The green cleaning guidelines include recommendations for products that go beyond the law's requirements. While the law requires that schools purchase and use green cleaning products in the previous six categories, it recommends (but does not require) that schools use green cleaning products and practices in a broad range of additional categories. The guidelines' authors explain that in addition to meeting the requirements, "schools may wish to implement a more comprehensive green cleaning program and are encouraged to do so." The following listings include the products provided by Betco that meet the guidelines' recommendations.

## Recommendations

*To learn more about the guiding principles behind the recommendations, please download the full guidelines, available online at [www.GreenCleanIllinois.org](http://www.GreenCleanIllinois.org).*

### **Green Earth Daily Disinfectant Cleaner**

*California VOC certified*

Excellent broad spectrum disinfectant for finished and non-finished floors. Efficacious against Hepatitis B virus, MRSA, VRE, Influenza A virus. Will not dull, haze, or leave a film. Economical formula. Neutral pH.

### **OxyFECT H**

*California VOC certified*

Don't just disinfect... OxyFect™. The industry's first peroxide hospital disinfectant cleaner. Kills HIV-1 (AIDS virus) influenza A, pseudomonas, salmonella, and staph. Safe for glass, carpets, floors, and restrooms. One product. Amazing results!

### **OxyFECT G**

*California VOC certified*

Don't just disinfect... OxyFect™. Perfect for use throughout any facility. pH balanced formulation makes it safe for use on glass, carpet, floors, and restrooms. Super-concentrated product is used @ 2 oz. per gallon for low end use cost.

### **Genie APS**

Goes anywhere a mop and bucket can go - Betco's Genie™ APS brings the benefits of automatic scrubbing to small and congested areas that are hard to clean with traditional equipment. Battery operated and compact, this machine can virtually replace the mop and bucket to provide more effective and efficient cleaning in an endless variety of environments. The standard nylon cleaning brush transitions from smooth to textured floors making it perfect for schools, hospitals, retail or any institution that wants a better clean!

### **Fastdraw 1**

The simplest chemical management system. Small size can fit virtually anywhere. Ready to go, no special priming required. No guesswork, always get the right dilution. Sealed insert prevents drips or spills. Simple training aids insure the correct product is used each time.

### **Fastdraw 4**

The smallest and most convenient four product system. Lockable and tamper resistant to use in the most challenging cleaning environments. 4 individual eductors to prevent any cross contamination when changing products. Simple training aids insure the correct product is used each time.

### **Fastdraw Peroxide Dispenser**

The smallest and most convenient four product system. Lockable and tamper resistant to use in the most challenging cleaning environments. 4 individual eductors to prevent any cross contamination when changing products. Simple training aids insure the correct product is used each time.

### **Crewman DC2000 Dust Control High Speed Burnisher**

Space saving design mounts in a corner. Uses Green Earth Peroxide Cleaner, green seal certified product for cleaning glass, carpets, restrooms and floor cleaning. Clean your entire facility with one product at the precise dilutions needed for each cleaning task. Lockable to prevent tampering or theft.

### **Crewman DCBB 20" Dust Control High Speed Burnisher**

Combining the power of 2000 RPM's with precision balancing and advanced dust control to deliver superior high speed burnishing results.

### **Green Earth Floor Finish**

*Green Seal certified*

For use on all types of resilient flooring. Provides an excellent high gloss shine. Durable extended wear formula. No heavy metals, no offensive chemical odors, and no added fragrance.

### **Green Earth Floor Stripper**

*Green Seal certified*

Perfect for removing Green floor finishes. Non-butyl formulation with no offensive chemical odors. No added fragrance or dye. Low foaming, rinse free formula. No added fragrance or dye.

### **Green Earth Natural Degreaser**

*California VOC certified*

Ideal for removing the toughest greases and soils. Cleans with natural ingredients. Use as a spray and wipe cleaner for cleaning surfaces or through mop buckets and scrubbers for cleaning large areas.

### **Velocity Degreaser**

*California VOC certified*

A neutral cleaner to rival the power of an Alkaline, Butyl degreaser. Synergistic blend of propylene based solvents combined with state of the art surfactants produces a combination that will make traditional hard surface cleaners obsolete. This versatile, dilutable dynamo quickly and effectively removes inks, oils, greases and fats from a variety of surfaces. Safe to use on any surfaces that won't be harmed by water. Powerful yet delicate country air fragrance will leave the area with a "clean" odor for hours of use.

### **Green Earth RTU Natural Degreaser**

*California VOC certified*

The superior performance of this natural cleaner/degreaser is the environmentally preferred solution for all your spray and wipe cleaning needs. A synergistic blend of natural solvents and a totally unique surfactant system produce a formula that out cleans most solvent cleaners. Ready-To-Use and made from natural ingredients, this powerful cleaner/degreaser breaks down grease, oils and fats on all water safe surfaces. Lemon fragrance will leave the area with a clean scent for hours of use.

## About Green Clean Illinois

The Green Clean Schools Act, effective May 9, 2008 in Illinois, requires schools to use cleaning products that protect health without harming the environment. It requires that certain cleaning products meet third-party certifications, and offers overall guidance for an effective green cleaning program.

The distributors and manufacturers who provide cleaning products to schools play a key role in protecting the health of children, teachers and staff by working with schools to design effective green cleaning programs. The organizations who have joined the Green Clean Illinois team have either attended a Green Clean Illinois workshop provided by Healthy School Campaign, ISSA and the Office of the Lt. Governor of Illinois or have provided information ensuring that they sell products and services that comply with requirements and/or recommendations of the Green Clean Guidelines for the State of Illinois.

*Listing fees provided by companies are used to promote training, education and awareness of green cleaning programs by the Healthy School Campaign, ISSA and the Lt. Governor's Office. Listing on this web site does not constitute an endorsement or recommendation by the aforementioned groups.*
