
BE A CHAMPION FOR HEALTHY SCHOOL FOOD

Join the Host or Benefit Committee for Cooking up Change

NOVEMBER 16, 2017 AT BRIDGEPORT ART CENTER

Cooking up Change challenges Chicago high school culinary students to create healthy school meals that are nutritious, delicious and appealing to their peers. Each year, teams from around the city use their creativity to make meals that meet the USDA guidelines while learning about nutrition and health policy not only in Chicago, but also nationally.

for committee members who commit by August 21

THANK YOU FOR YOUR SUPPORT!

Your generosity makes it possible for us to help schools imagine a future where all students can learn and thrive. In-kind donations, including raffle and auction items, are appreciated and will be recognized appropriately. They may not, however, be counted toward Benefit Committee member fundraising goals. Contact Halsey Ward at halsey@healthyschoolscampaign.org with questions or about sponsorships. Visit cookingupchange.org to learn more about the competition.
